Sleeping, hoping trying to be
What you want
Fearful thankful labled to see
A difference
Oh
Change my name
Change my name
I left myself
And you remain
Change my name
Rake it
Burn it
I no that you've always
Hated it
Its hard to say it
But i love you more than all of this
I love you more than this
Change my name
Change my name
I left myself
And you remain
Change my name
Change my name
When it's all lost
I'll find freedom
When it's all gone
I'll find a light
So give me a name
And im yours forever
Oh give me a name
And im yours
Im yours
Change my name
Change my name
I left myself
Im not the same
I left myself
When yesturday
I left myself
And you remain
Change my name
Change my name
