Now, it's time to rock.
Lost in the love.
Stuck in a song.
Darling, darling,
Don't lead me on.
It's not your fault.
If you love me or you don't.
Darling, darling.
Don't lead me on.
Darling, whatever you do,
Don't try to keep me if I can't keep you.
Darling, whatever you say,
Don't be a hero if my heart must brake.
Lost in the love.
Stuck in a song.
Darling, darling,
Don't lead me on.
It's not your fault.
If you love me or you don't.
Darling, darling.
Don't lead me on.
Hey now, hey now.
Why do you cry?
Don't you know it's impossible,
That you've lived more than I.
Oh somehow, it'll be for the best.
You'll be my future, or you'll be my past.
Lost in the love.
Stuck in a song.
Darling, darling,
Don't lead me on.
Darling.
Don't lead me on.
Ah-haw!
