ive got sunshine in my pocket  
ive gotta a such a 'what a perfect day'  
im feeling kinda worth it  
a smile on my face  
its written on my face

i dont know where im going  
but im bound to see  
what im capable of being  
if the worlds taking me  
and i know he knows she knows  
we know  
cant change history  
but history's what's changin me

hey its changin me

ive got my heart tied in my locket  
i gotta dollar to my name  
i made em both a promise  
that theyre not and gonna go to waste  
no not today  
i dont know where im going  
but im bound to see  
what im capable of being  
if the worlds taking me  
and i know he knows she knows  
we know  
cant change history  
but history's what's changin me  
hey its changin me

hey yeah hey yeah  
changin me

i dont know where im going  
but im bound to see  
what im capable of being  
if the worlds taking me  
and i know he knows she knows  
we know  
cant change history

but history's what's changin me  
hey its changin me  
a changin me  
yeah
