He's a whisper
and i'm an echo
i'm a helicopter
he's a pleasant meadow
i crash into

if i was a sailboat
then he would be the ocean
usin' all that he had
to keep us in motion

i make it rain
on days meant for his parade
i make it rain
on days meant for his parade
whoa ooh
oh oh
whoa ooh
oh oh oh-oh
whoa ohh (x3)

Now i only want you
cause i told you its over
you got a new one
she's a keeper-
imma let go, oh
i make it rain
on days meant for his parade
i make it rain
on days meant for his parade
whoa ooh
oh oh
whoa ooh
oh oh oh-oh

whoa ohh(x3)

and God only knows
that you were my last straw
of course i'm upset cause
now i dont have no more
and God only knows

that you were my last straw
you were my last straw
my last straw
you were my last straw
my last straw

he's a whisper
and i'm and echo.
