Woah oh oh
Woah oh oh oh oh
Woah oh
Woah oh oh oh

I was born in a messed up world
Wide- eyed, but a lonely girl
Needed love- it was plain to see
But nobody held onto me
I moved around til I messed up good
Lost myself like they said I would
It Ain't like I want it to leave
But nobody held onto me

I spent everyday runnin' away
But all I needed was

Real deal, real love
The kind that won't give up
When I'm not quite good enough
Big field, your heart, no doors
Or reasons to run out
I gotta find someone like me
If I don't really want him to leave

Woah oh woah oh oh woah oh noooo

Well I cursed this damn old world
It ain't easy as boy meets girl
'Cause I watched him walk away
It doesn't mean it wasn't meant to be

I spent every day prayin' he would stay
I swear all I needed was

The real deal, real love
The kind that won't give up
When I'm not quite good enough
Big field, your heart, no doors
Or reasons to run out
I gotta find someone like me
If I don't really want him to leave

Nooooo
Noooo

One time
He tried
I love him
So I can't say he lied
But he let go

One time
He tried
I love him
So I can't say he lied
But he let go

Real deal, real love
The kind that won't give up
When I'm not quite good enough
Big field, your heart, no doors
Or reasons to give up
I gotta find someone like me
If I don't really want him to leave
Yeah noooo, if I don't really want him to leave
