She was just a few years old
well she only knew one world
and that she was all alone
she only knows of what shes told
shes knee-deep and tied up
and unbenounced to her

it doesnt matter how it stays here
if she keeps runin' runin' and runin' runin'
in steady pace for now
it doesnt matter how it stays here
if she keeps runin' runin' and runin' runin'
shell find her way out

ba ba da la da da
ba da la da da

a little beneath those clouds
well shes watching from the ground
the grass is greener
finally got it all figured out
kinda broken and smashed up
and she takes all this with her

it doesnt matter how it stays here
if she keeps runin' runin' and runin' runin'
in steady pace for now
it doesnt matter how it stays here
if she keeps runin' runin' and runin' runin'
shell find her way out

if she falls its exactly what she wanted
the cheap shots from the place that she started
they creep up only when shes feeling right now
shes screamin' screamin' at the top od her mind

it doesnt matter how it stays here
if she keeps runin' runin' and runin' runin'
in steady pace for now
it doesnt matter how it stays here
if she keeps runin' runin' and runin' runin'
shell find her way out

ba ba de da da
ba de la da da
ba le de da dou
