I'll never catch a shooting star
Or call you out on who you really are
I know im not the one you wanna win
It's a losin game
So i'm losing it

And I'm surprised we got this far
With that barricade but I want more
I would be a fool to let you let me quit

Chorus;
And maybe you should just say something
You haven't rehearsed but that leaves nothing
Along with me you've neglected the urge to be real
Real with me,
If I'd ask for one thing
Just say I love you
But I know you wont blink
Truth wont pass your lips I know
Stop pretending

I'm not surprised I let you in this far so
It's safe to say that i still adore you
i'm not the one who started this
And I won't back down
So keep pushing it
And on the day that you came undone
That day was the last day that I felt home

So I would be a fool to let you let me quit

Chorus;
And maybe you should just say something
You haven't rehearsed but that leaves nothing
Along with me you've neglected the urge to be real
Real with me,
If i'd ask for one thing
Just say I love you
But I know you wont blink
Truth wont pass your lips I know
Stop pretending

And it was never about what you were not
But I don't know how much longer I can hold on
Hold On

Chorus;

And maybe you should just say something
You haven't rehearsed but that leaves nothing
Along with me you've neglected the urge to be real
Real with me,
If i'd ask for one thing
Just say I love you
But I know you wont blink
Truth wont pass your lips I know
Stop pretending
