please refrain-
cause i can't take your
your constructive criticism anymore
what the hell have you been building anyways?
'tween you and me?
just a barricade
i gotta say

woah

i can do so much better than this
i know i know
i took the easy road again
and as for sellin' myself short
i have become notorious
oh i know how it goes
this is the part where i realize that i'm alone
alone

you always told me to be mature
well i just dont know myself anymore
whats the point of bein grown up anyway?

so i can be like you?
and give it all away?
i got to say

i can do so much better than this
i know i know
i took the easy road again
and as for sellin' myself short
i have become notorious
oh i know how it goes
this is the part where i realize that i'm alone
alone

and everybody wants to fall in love
in cinematic fashion
i dont, i dont
and everybody wants to fall in love
in cinematic fashion
i dont, i dont.

and everybody wants to fall in love
in cinematic fashion
i dont, i dont.
