Wind me up, put me down, start me of and watch me
go.
I'll be running circles around you sooner then you know.
A little of center and I'm out of tune.
Just kickin this can along the avenue, but I'm alright.
Cause it's easy once you know how it's done,
And you can't stop now it's already begun,
You feel it running through your bones.

Then you jerk it out... when you jerk it out
Shut up, hush your mouth,
Can't you hear you talk to loud.
No I can't hear nothing cause I got my head up in the
clouds
I'll bite of anything that I can chew
I'm chasing cars up and down the avenue
But that's OK
Chorus
long mid-play
