Memories of yesterday
Can't think about anything
But you never gonna fade away
Even if you disappear from view

Sweet distraction
You're always on my mind
Sweet distraction
Same feeling every time
Clear intentions
Just wanna make you mine
Sweet distraction
Same feeling every time

Lazy summer days wash away
Under the spell of soft summer rain
Lazy summer days wash away
Under the spell of soft summer rain

We are all the same

Memories of yesterday
Day dreaming of when i held you close
Doesn't matter what you say
You were the one i wanted most

Sweet distraction
You're always on my mind
Sweet distraction
Same feeling every time
Clear intentions
Just wanna make you mine
Sweet distraction
That feeling every time

Lazy summer days wash away
Under the spell of soft summer rain
Lazy summer days wash away
Under the spell of soft summer rain

We are all the same

Memories of yesterday
Can't think about anything but You

Lazy summer days
Lazy summer days

Lazy summer days wash away
Under the spell of soft summer rain
Lazy summer days wash away
Under the spell of soft summer rain

We are all the same...
