I thought we had something special going on,
but it wasn't babe cuz now your gone.
I hated myself and I hated true,
but at the moment... I mostly hate you!

I hate you like I hate the DJ's, I hate you like I hate most
rules.
I hate you like I hate big muscles, I hate you like I hate
the schools.
Yeah I hate bad music like I hate T.V. Like I hate
computers like I hate dead trees.
I hate pretty girls cuz they hate me too. But most of all
babe... I hate you!

(4x, Woehoehoe)

You finally dumped me and I felt so bad,
was it something I did or something I said?
Well it doesn't matter cuz you must be glad,
you're still in my head... but out of my bed!

I hate you like I hate rich people, I hate you like I hate to
earn.
I hate you like I hate Saddam Hoessein, I hate you like I
hate to learn.
Yeah I hate boring movies like I hate to wait,
Like I hate big cars like I hate to be mates.
I hate the smell of shit and everything you did, I hate
you! Bwaaaheueuh!!

I hate you, I hate you, I hate you, hate you, hate
you.(3x)

Like I hate senseless wars like I hate flies and bees,
I hate fashion people like I hate dead trees.
I hate pretty girls cuz they hate me too. But most of all
babe... I hate you!

(4x, Woehoehoe)

I, hate, you!!!
