The Fiddle will play loud and clear  
Rip up all your underwear  
Hypnotized like a mad man's eye  
You can't run away  
(2x)

Take it off In me you'll find  
Thoughts Across your mind  
Don't you know you wouldn't stay statue  
The fiddle is where I wanna get next to  
Tough enough the fiddle is no kind  
Handcuff my head's In your mind  
Do you wanna dance and I'll be the next  
? side

The Fiddle will play loud and clear  
Rip up all your underwear  
Hypnotized like a mad man's eye  
You can't run away  
(2x)

Can't run away can't run away  
Can't run away can't run away  
You can't run away  
(2x)

The Fiddle will play loud and clear  
Rip up all your underwear  
Hypnotized like a mad man's eye  
You can't run away  
(2x)

Left alone You ain't no more  
Come with what you got '  
Madness on going up and down  
Take a break coming with the big sound  
Respect me and respect your track  
Put it on and you will come back  
Follow me with the sound  
Shout It out and out

Do you wanna jump, do you wanna jump, jump

Do you wanna laugh, do you wanna laugh, don't cry  
Do you wanna jam, do you wanna jam  
Everyone come, you gotta right come  
(2x)

The Fiddle will play loud and clear  
Rip up all your underwear  
Hypnotized like a mad man's eye  
You can't run away  
(2x)
