"Li'l Doggies

Take the time to hear me out
I'll tell you a fantasy.
People living on the moon
Isn't that a travesty?

Day and Night
Still they bitch and moan
Black and White
Should they all get stoned?
Alone.

On bended knee we take a vow
Why does that sound so perverse?
Kill the homeless, rape the Earth...
C'mon, you wouldn't be the first.

CHORUS

Git' along li'l doggies git along.
Git along li'l doggies hear my song.
Git along li'l doggies git a clue.
Li'l doggies i f**kin' h8 U.
Or maybe I like U.
Met nobody like U.

Day and Night
Should they need to phone
Black and White
E.T. must go home

from this twilight zone
nobody likes his toes
broken all his wish bones
rather be alone, yeah.Li'l Doggies
