Quietly as rose buds opening in sunlight  
Silently, as tears fall  
From the eyes of lovers

(Chorus)  
Love came so lightly  
I knew not that he had come  
Love came so lightly  
I knew not that he was there

Softly as a morning rain  
In a deep green forest  
Silent as a moonlit night  
Silent as a heartbeat

Love came so lightly  
I knew not that he had come  
Love came so lightly  
I knew not that he was there

Love is a quiet prayer  
Caught on a breath of air  
Finding me unaware  
I was dreaming

Love is a silent prayer  
Of ancient and dark rain  
We tremble, but can't explain  
What we're feeling

Softly as a morning rain  
In a deep green forest  
Silent as a moonlit night  
Silent as a heartbeat

Love came so lightly  
I knew not that he had come  
Love came so lightly  
I knew not that he was there

Love is a quiet prayer  
Caught on a breath of air

Finding me unaware  
I was dreaming  
Love is a silent rain  
Of ancient and dark refrain  
We tremble, but can't explain  
What we're feeling

Love is a quiet prayer  
Caught on a breath of air  
Finding me unaware,  
I was dreaming

Love is a silent rain  
Of ancient and dark refrain  
We tremble, but can't explain  
What we're feeling...
