Look at us making the way in this life.  
Look at us doing just fine.

I'm starting to wonder if loving too much is a crime.  
What could be wrong with me holding your hand,

and with you holding mine too.  
I'm picking the lock to your heart but without having  
too.

Somewhere a heart is broken, somewhere, somehow,  
i'm sorry but i don't care, at least not right now.

cause maybe we'r living a dream, where nothing is  
quite what it seems,  
is it a dream if i tell you we won't wake up.

Ohh let's leave it behind, this world has no place in our  
mind,  
but live in a dream at least for a little while, that's what I  
dream of.

You make me dizzy, but let me be straight,  
i am right here by your side.  
Why do i need wings when my only goal is not to fly.

Someone is hurting someone, somewhere somehow,  
i'm sorry but i don't care, at least not right now.

Cause maybe we'r living a dream, where nothing is  
quite what it seems.  
Is it a dream if i tell you we won't wake up.

Ohh let's leave it behind, this world has no place in our  
mind,  
but live in a dream, at least for a little while.

Ohh..ohh..let this dream come to life,  
ohh, we are here, let's stay here, where nothing is quite  
what it seems,  
is it a dream if i tell you we won't wake up. if i tell you

we won't wake up.

Ohh let's leave it behind, this world has no place in our  
mind.

living a dream at least for a little while, that's what i  
dream of.
