Hey Girl, you cant take the blame
get in my car we'll drive away
the sun will shine there be no rain

Call me stupid, se I've got no brains
but I'm not Jesus, and I'm sure aint a saint
You drive me crazy with you never ending blame
But you're scared n' afraid of get yourself a bad name

Let me get a chance to live
Let me get a chance to breath
Let me get a chance to run away from you

Hey Girl, look the other way
Girl, you can take the train
Girl, you can go where ever you want

Hey Girl, you can't take the blame
get in my car we'll drive away
the sun will shine there be no rain

I'm so tierd, can't sympathize anymore
I got a feeling you don't have a clue, And I'm looking
for
I can't help it, but now my life changes
there are reasons and you are not the one to tell me
why

Don't tell me what to say or do
I just wont listen, I am walking out the door
I believe there's so much more
I moving on to find where I belong

Hey Girl, look the other way
Girl, you can take the train
Girl, you can go where ever you want

Hey Girl, you can't take the blame girl
get in my car we'll drive away
the sun will shine there be no rain X3
