oh, I tried to change my mind a hundred times
to be able to look into your eyes
to say that I love you untill the end of time
that I will be by your side every day

How was I to know
That feelings come and go

But I did my best to love you
even if I was lost
and I never ment to hurt you
look at all the pain I coused

I had a picture in my mind how love should be
with pink clouds and castles in the sky
as time goes by I start to realize
I can see the sun but I'm standing in the rain

How was I to know
That feelings come and go

But I did my best to love you
even if I was lost
and I never ment to hurt you
look at all the pain I coused

I did my best to love you
even if I was lost
and I never ment to hurt you
look at all the pain I coused

(violin solo)

I did my best to love you
even if I was lost
and I never ment to hurt you

oh, so I did my best to love you
even if I was lost
and I never ment to hurt you
look at all the pain I coused

look at all the pain I coused
