Spent a lot of yesterdays  
Worrying' my life away  
Got in the middle to deep  
Made a couple promises I couldn't keep

I've got my regrets  
Some days I like to forget  
But you make your breaks  
And laugh at your mistakes

Lookin' back, it couldn't be clearer  
No future in the rearview mirror  
I can wish my life away  
But I'd rather live right now, today  
Tell me something you can't borrow  
I'm staking my claim on tomorrow  
I like who I am, and where I'm at  
And I'm never lookin' back.

Got dreams that I'm gonna chase  
I might fall flat on my face  
But isn't that what life's about  
Either hit a homerun or you strike out

When I turn out the lights  
I don't lay awake at nights  
Cuz I'm ok  
And tomorrow's a new day

Lookin back, it couldn't be clearer  
No future in the rearview mirror  
I can wish my life away  
But I'd rather live right now, today  
Tell me something you can't borrow  
I'm staking my claim on tomorrow  
I like who I am, and where I'm at  
And I'm never lookin back.

I'm not perfect, but I try to get it right  
Take it one day at the time, every minute of my life.

Lookin back, it could't be clearer  
No future in the rearview mirror  
I can wish my life away  
But I'd rather live right now, today  
Tell me something you can't borrow  
I'm staking my claim on tomorrow  
I like who I am, and where I'm at  
I like who I am, and where I'm at  
And I'm never lookin back.
