When ever you come around I feel alive
When I looking to your eyes I can't deny
That I need to know what it's all about

Why do I still believe?
Why do I care?
I just keep going on keep thinking but what we had
I need to be alone
I need to know
Why I'm still going on when everything feels so wrong

I'm living with all this dreams of you and me
And castle that's made of sand will never stand
So we'll never know what it's all about

Why do I still believe?
Why do I care?
I just keep going on keep thinking but what we had
I need to be alone
I need to know
Why I'm still going on when everything feels so wrong

Why do I still believe?
Why do I care?
I just keep going on keep thinking but what we had
I need to be alone
I need to know
Why I'm still going on when everything feels so wrong

Why do I still believe?
Why do I care?
I just keep going on keep thinking but what we had
I need to be alone
I need to know
Why I'm still going on when everything feels so wrong

Why do I still believe?
