I guess you wonder where I've been
I searched to find the love within
I came back to let you know
Got a thing for you
And I can't let go
My friends wonder what is wrong with me
Well I'm in a daze from your love you see
I came back to let you know
Got a thing for you
And I can't let go
Some people go around the world for love
And they may never find what they dream of
What you won't do, do for love
You tried everthing
But you don't give up
In my world only you
Make me do for love
What I would not do
My friends wonder what is wrong with me
Well I'm in a daze from your love you see
I came back to let you know
Got a thing for you
And I can't let go
And though I only want the best it's true
I can't believe the things I do for you
What you won't do, do for love
You've tried everything
But you won't give up
In my world only you
Make me do for love
What I would not do
