If days were done,
If all we've made in this lifetime runs,
And all we have is make-believe.
If fears run first,
If courage struggles to just keep up,
If we're trying to believe,

If this river runs dry,
This river runs dry ooh,
I'll be here, standing here, waiting for you,
I know you'll be waiting too.

Oooh x2

If nights were gone,
If hope burns brighter than the morning sun,
And all the troubles fell away.
And if life is kind, the stars align,
And we know what we believe,
And if finally we see.

But if this river runs dry,
This river runs dry ooh,
I'll be here, standing here, waiting for you,
I know you'll be waiting too.

If you're wondering,
If we should wander back,
And then we find we're right on track.

But if these miles we've made
Have been in the wrong direction,
Take my hand; we'll turn this all around.

And it might take some time,
But it'll be alright.
Alright.

If this river runs dry,
This river runs dry ooh,
Be here, standing here, waiting for you,
I know you'll be waiting too.

Oooh x4
