You got up and left again
wouldn't listen now wouldn't listen then
When I'm gone you realize
Should've thought before you told your lies
You still think its ok
But your too hard for me to take
And now I'm slipping away

I won't cry when you leave me here all alone
I won't cry cause I'm better off on my own
You might think I'll be waitin' here drowning in a sea of
tears
I won't cry
Say goodbye

You'll be back at my door
Just like you've always done before
Say your sorry every time
But this is where I draw the line
Nothing that you say is true
Don't want you back cause I'm over you
Now I'm slipping away

I won't cry when you leave me here all alone
I won't cry cause I'm better off on my own
You might think I'll be waitin' here drowning in a sea of
tears
I won't cry
Say goodbye

If you think I'll let you in
You better think again
Boy can't you see
I'm already gone

Cry ie ie ie ie ie ie
Cry ie ie ie ie ie ie

I won't cry when you leave me here all alone
I won't cry cause I'm better off on my own
You might think I'll be waitin' here drowning in a sea of

tears
I won't cry
Say goodbye

I won't cry when you leave me here all alone
I won't cry cause I'm better off on my own
You might think I'll be waitin' here drowning in a sea of
tears
I won't cry
Say goodbye

I won't cry
Say goodbye
