A Danger is coming toward me
I can't see the light even it's inches before
Strike like fire, obtain the higher
Ground for me to shake
Fight for better, World... Future awaits!

Time is wasted, time is wasted!
I never gonna be that way
Time is wasted, time is wasted!
The Anger gonna be revealed
Time is wasted, time is wasted!
I hope you're gonna be alright... yeahhh! I hope you're gonna be alright!

Will I find the freedom?
It's brings me back till I slowly die
Strike like fire, obtain the hogher
Ground for me shake
Fight for better, World... that's what we called

Time is wasted, time is wasted!
I never gonna be that way
Time is wasted, time is wasted!
The Anger gonna be reveald
Time is wasted, time is wasted!
I hope you're gonna be alright yeahhh! I hope you're gonna be alright!

*Solo

Time is wasted, time is wasted!
I never gonna be that way
Time Is wasted, time is wasted!
The Anger gonna be revealed
Time is wasted, time is wasted!
I hope you're gonna be alright yeahhhhh! I hope you're gonna be alright!
