

Californication "Otherside"

Visit "[Otherside](#)" on MotoLyrics.com

How long, how long will I slide?
Separate my side
I don't believe it's bad
Slit my throat, it's all I ever

I heard your voice through a photograph
I thought it up it, brought up the past
Once you know you can never go back
I gotta take it on the other side

The centuries are what it meant to me
A cemetery where I marry the sea
The stranger thing will never change my mind
I gotta take it on the other side
Take it on the other side
Take it on, take it on

How long, how long will I slide?
Separate my side
I don't believe it's bad
Slit my throat, it's all I ever

Pour my life into a paper cup
The ashtray's full and I'm
spillin' my guts
She wants to know, am I still a slut?
I gotta take it on the other side

Scarlet, starlet and she's in my bed
A candidate for the soul mate bed
Push the trigger and pull the thread
I gotta take it on the other side
Take it on the other side
Take it on, take it on

How long, how long will I slide?
Separate my side
I don't believe it's bad
Slit my throat, it's all I ever

Turn me on, take me for a hard ride
Burn me out, leave me on the other side

I yell and tell it that it's not my friend
I tear it down, I tear it down and then it's born
again

How long, how long will I slide?
Separate my side
I don't, I don't believe it's bad
Slit my throat, it's all I ever

Hey, I don't, I don't believe it's
bad
Slit my throat, it's all I ever
