Call To Preserve "No Value"

Visit "<u>No Value</u>" on MotoLyrics.com

I can't accept this life you say We're all supposes to "live" some day Uplifting a crutch that weighs down on you Uplifting a world where I see no value

I can't accept this society This will never be apart of me You can give in and feel nothing at all But I can't sit back and let this edge go dull

It's growing up, not giving up I will never forget It's growing up, not giving up A choice I'll never regret

It's growing up, not giving up I will never forget It's growing up, not giving up A choice I'll never regret
