Know we've been through  
This a few times before  
But the taste that you left  
Tells of who's lips you've been kissin

There's mistakes that we've been  
Waiting to make here so impatiently  
It's easy to tell there's not  
Much you've been missin'

So when we play these games  
Do we play for keeps or  
Just the thrill of keepin me  
On the edge of my seat

Cellophane hearts as disposable as names  
And it's all so easy cuz it's all the rage  
Stocked, locked, n loaded, tell mommy  
You're not goin home

Baby's burnin bridges like her feet are on fire  
Never second guessin' last nights desire  
It's easy to tell there's not  
Much that you've been missin'

So when we play these games  
Do we play for keeps or  
Just the thrill of keepin me  
On the edge of my seat

Cellophane hearts as disposable as names  
And it's all so easy cuz it's all the rage  
Stocked, locked, n loaded, tell mommy  
You're not goin home

So when we play these games  
Do we play for keeps or  
Just the thrill of keepin me  
On the edge of my seat

Cellophane hearts as disposable as names  
And it's all so easy cuz it's all the rage

Stocked, locked, n loaded, tell mommy  
You're not goin home
