I just wanna get it
Right here right now
I just wanna get it
Are you ready anyhow

Let's get it on
Let's get it on
Right here, right now

Are you ready for some darkness
Are you ready for the show
Are you ready for some action
Are you ready to go
Let's go

Let's get it on
Let's get it on
Let's get it on
Let's get it on
Right here, right now

Are you ready for some darkness
Are you ready for the show
Are you ready for some action
Are you ready to go
Let's go

Let's get it on
Let's get it on
Let's get it on
Let's get it on
Right here, right now
Let's get it on
Right here, right now
Let's get it on
