Miracle!

This will not end, without destruction.  
Buildings on fire, rubble is down.  
Pull out the pin, pull out the pin.  
We will not win, we need a miracle.

Never had a miracle, shut me down,  
A miracle, a miracle.

Bandages, this is war,  
Bandages, I wont die for this!

Standards that I, I couldnt meet.  
Standards that I, I couldnt meet.  
Standards that I, I couldnt meet.  
Standards that I, I couldnt meet.  
Never had a miracle,  
Shut me down,  
A miracle!

You didn't tell me!  
That I would die!  
You didn't tell me!  
That I would die!

Bandages, Bandages, Bandages  
Bandages!

Never had a miracle,  
Shut me down,  
A miracle, we can't move  
On.

We cant, we cant, we can't move on!  
We cant, we cant, we can't move on!  
Now!
