I cursed the road  
I cursed the road  
And I came home to the love you gave

And as I walked through my door  
I saw the stars spelled out S.A.V.E.D.  
And all the gardens bloomed a flower for each day I  
was away  
Now I'm saved  
Baby saved

And all was alive...  
And all was alive...  
And all was alive...  
And all was alive...

You and me  
We're wild and on the run  
Busting out the heavens  
Like the horses of the sun

You and me  
We're wild and on the run  
Busting out the heavens  
Like the horses of the sun

I cursed the road  
I cursed the road  
And I came home to the love you gave

And as I walked through my door  
I saw the stars spelled out S.A.V.E.D.  
And all the gardens bloomed a flower for each day I  
was away  
Now I'm saved  
Baby saved

And all was alive...  
And all was alive...  
And all was alive...  
And all was alive...

You and me  
We're wild and on the run  
Busting out the heavens  
Like the horses of the sun

You and me  
We're wild and on the run  
Busting out the heavens  
Like the horses of the sun

You and me  
We're wild and on the run  
Busting out the heavens  
Like the horses of the sun

You and me  
We're wild and on the run  
Busting out the heavens  
Like the horses of the...  
Sun
