Natasha:

Touch me I'm cold, unable to control  
Touch me I'm golden and wild as the wind blows  
And tumbling tumbling, don't go fascination

If just for tonight darling, let's get lost  
If just for tonight darling, let's get lost

Beck:

Let me come closer, I'm not your shadow  
With our eyes shielding from the oncoming counts  
It's not hard for us to say what we should not

If just for tonight darling, let's get lost  
If just for tonight darling, let's get lost

Natasha:

Touch me I'm cold, unable to control  
Touch me I'm golden and wild as the wind blows  
And tumbling tumbling, don't go fascination

If just for tonight darling, let's get lost  
If just for tonight darling, let's get lost  
If just for tonight darling, let's get lost  
Let's get lost  
Let's get lost  
Let's get lost  
Let's get lost
