Are you my family?  
Can I stay with you a while?  
Can I stop off in your bed tonight?  
I could make you smile.

In the morning I'll make you breakfast  
In the evening I'll warm the bed.  
And I'll always be happy to kiss you  
Promise I'll never get sad.

Till the siren come calling, calling  
It's driving me evil, evil.  
I was a heartbreaker, I loved you  
The same way I do.  
But I've got so much wickedness and sin.

My name is Pearl  
And I'll love you the best way I know how  
My blonde curls slice through your heart.  
And the siren come calling in the night, till the light.

Help you dress yourself up fancy  
Bathe you when you get sore  
I'll be good, I think I could be  
All you would want and more and more.  
Be proud when you dazzle the wondrous  
Glitter your eyes for the town  
Tell every last boy that you're my man  
Try not to let you down.

Till the siren come calling, calling  
It's driving me evil, evil.  
I was a heartbreaker, I loved you  
The same way I do.  
I've got so much wickedness and sin.

My name is Pearl  
And I'll love you the best way I know how  
My blonde curls slice through your heart.  
And the stars are exploding the lights  
It won't be long until you'll be mine  
It won't be long until you leave

It won't be long until I'll see your face  
It won't be long to erase your pain  
And my broken heart to belong to your body  
Cause I'm evil, evil...
