I traveled down this road before,  
Should I open up this door?  
Should I show you what's so dear to me  
But if I let you in, just promise not to hurt me  
Like her

(So what's it going to take for us to make it)  
I don't really ask for much, but love was not enough for  
her  
(So if you can I take my disposition  
It's okay)  
I'd rather know it now than later, but until then

I'm ready to go, I'm ready to love, I hope my heart don't  
fail me now.  
I'm willing to give, I'm ready tonight I hope my love  
don't fail me now.  
I'm taking a chance, I'm giving it all. I hope my heart  
don't fail me now  
I'm ready to love, I'm ready to love, so please don't fail  
me now

And now I do feel that it's time  
To open up my heart and leave my past behind (leave it  
behind)  
Because you don't deserve to be (?)  
For my insecurities (I'm sorry)  
I'm so scared of love  
(So baby take my hand and please be patient)  
I hope you can understand, I want to be the man you  
need  
(Whether you can sense my hesitation  
It's okay)  
I know I'm nervous now, but baby you're worth a try

I'm ready to go, I'm ready to love, I hope my heart don't  
fail me now.  
I'm willing to give, I'm ready tonight I hope my love  
don't fail me now.  
I'm taking a chance, I'm giving it all. I hope my heart  
don't fail me now  
I'm ready to love, I'm ready to love, so please don't fail

me now

I can't go on on like this, being without someone to hold  
me at night  
And you give me all the reasons in the world to try once  
again  
I knew this with just one kiss

I'm ready to go, I'm ready to love, I hope my heart don't  
fail me know.  
I'm willing to give, I'm ready tonight I hope my love  
don't fail me now.  
I'm taking a chance, I'm giving it all. I hope my heart  
don't fail me now  
I'm ready to love, I'm ready to love, so please don't fail  
me now

I'm ready to go, I'm ready to love, I hope my heart don't  
fail me know.  
I'm willing to give, I'm ready tonight I hope my love  
don't fail me now.  
I'm taking a chance, I'm giving it all. I hope my heart  
don't fail me now  
I'm ready to love, I'm ready to love, so please don't fail  
me now
