I can't believe it, every day and every night  
It's gettin' better with you outta my life  
It's like I flicked a switch and now I'm feeling good  
No way to stop it, now you wish that you could  
When the weekend comes I know I'll feel alive  
You will be the last thing on my mind  
No regrets, do you know what that means

Well it's hot, it's loud, it's wild  
We bounce to this track  
And I don't care what anybody thinks about that  
Hands to the sky, and throw your head back

I can love again tonight  
We bounce to this track  
And I don't care what anybody thinks about that  
Hands to the sky, and throw your head back

Bounce, bounce, bounce

Well it's hot, it's loud, it's wild  
We bounce to this track  
And I don't care what anybody thinks about that  
I don't care what anybody thinks about that
