I could pay for everything that's on you.  
So everything is on me.got them girls going cindy  
lauper gaga and a little blondie  
If you ain't drug, then you in the wrong club  
Don't feel sexy, you're on the wrong beach  
Tell the bar that we don't want no glass  
Just bottles and I'm buying everybody want each  
Yeah so bring the Veuve Clicquot, D about to hit the 3 o  
Party like it's Carnival in Rio, life's too short,  
Danny devito  
Yo, we live, we die, we give, we try, we kiss, we fight  
Also we can have a good time

I'm in here busy looking for the next top model  
Who's wearing something new and something old  
and something borrowed  
I know this crazy life can be a bitter pill to swallow  
So forget about tomorrow, tonight, we're drinking  
from the bottle!  
We're drinking from the bottle!

Yeah I was done with this thing getting it wrong  
then everything is alright  
Got them girls going Heidi Klum  
The Kardashians, Rihanna all types  
If you ain't lean then you're the wrong scene  
If you ain't high then you're not in my vibe  
Tell the bar that we don't need no sparklers or nothing  
just keep the bottles coming all night  
Yeah son bring the Veuve Clicquot, D about to hit the 3  
o  
Party like it's Carnival in Rio, life's too short,  
Danny devito  
Yo, we live, we die, we give, we try, we kiss, we fight  
Also we can have a good time

I'm in here busy looking for the next top model  
Who's wearing something new and something old  
and something borrowed  
I know this crazy life can be a bitter pill to swallow  
So forget about tomorrow, tonight, we're drinking  
from the bottle!

Weâ€™re drinking from the bottle!

Iâ€™m in here busy looking for the next top model  
Iâ€™m in here busy looking for the next top model  
Iâ€™m in here busy looking for the next top model  
Iâ€™m in here busy looking for the next top model  
tonight we're drinking from the bottle  
we're drinking from the bottle
