Never miss the water 'til the well runs dry,
Don't know what we have 'til it's gone,
Chasing after dreams that were closer than they
seemed

Sticks and stones can break her bones,
Words can hurt,
Don't keep it in just let it out,
Cos all you wanna do is shout,

Wish I could undo the hurt you went through,
Do wishes come true, Do wishes come true,
Look at the scars now,
They last forever too,
Wish I could undo, Wish I could undo,

Wish I could undo the hurt you went through,
Do wishes come true, Do wishes come true,
Look at the scars now,
They last forever too,
Wish I could undo, Wish I could undo,
Do wishes come true?

She kept it all inside,
A frightened girl with nowhere to run,
She still feels alone,
Though everyone's at home,
There's so much she can take,
Don't wanna see her heart break,
To them it's just a game,
We know who's the blame,

Wish I could undo the hurt you went through,
Do wishes come true, Do wishes come true,
Look at the scars now,
They last forever too,
Wish I could undo, Wish I could undo,
Wish I could undo,
Do wishes come true,
Look at the scars now,
Wish I could undo,
Wish I could undo the hurt you went through,

Do wishes come true, Do wishes come true,
Look at the scars now,
They last forever too,
Wish I could undo, Wish I could undo,
Do wishes come true?
