(feat. Juelz)

[chickens clucking in background]

All the chickens go cluck, cluck, cluck *[repeats throughout song]*

When I come through

All the chickens go cluck, cluck, cluck

When I drive through

All the chickens go cluck, when I

All the chickens go cluck, when I

All the chickens go cluck, when I, yo, yo

[Cam'ron]

I'm that one cat that the hood be lovin

They way I floss, y'all chickens, should be cluckin

One bird chirp, got blunt wit me

She work up at Starbuck, front on me

I said chill baby girl, you a real dirty chick

Fucked up bad, real, real, thirsty chick

You just chop, called you karate chick

Fuck with me, I make you somebody bitch

Like your sister, she was just a crack chick

Now heads turn, yo, yo who dat bitch?

Like Cam is a son of a bitch

That'll tell a girl, ma, wash under your tits

But I, got a girl, we all call her "Licka"

Cuz she drink liquor, let another girl lick her

If you licky, licky, we all could play

But I don't eat nothing that can walk away, Killa

[chickens clucking]

When I come through...

When I drive through...

Uh, one mo', when my jewelry shine...

All the chickens go, all the chickens go, all the chickens go...

[Juelz]

Now if you been to the hood, you dealt wit a chicken before

And you know that they different than whores
Same rules, never put your dick in 'em raw
But a chicken you could have out, pitchin 'em raw
Cuz she listen, been through it, did it before
But you gotta watch 'em close cuz they blab they mouth
Never punch 'em in they face just slap they mouth
Then fuck her til she cluck her whole basket out

Send her home wit her ass ripped out, and her back
hurtin'
She wanna act like she don't know why her back hurtin'
Cab fare no, hope your train pass workin'
Hope you got a metro card or a token
They all love sayin if you lickin you stickin
But just cuz I eat chicken don't mean I eat chickens
And they love when I don't stop, keep diggin
Make 'em wanna cluck more, make 'em wanna fuck
more

[chickens still clucking]

Uh, uh, Killa, uh, uh, what, uh
When I come through...
Oh, uh, what, uh, when I drive through...
Uh, uh, uh, when my jewels shine...
All the chickens, all the chickens, all the chickens

[Cam'ron]

Ayo one time came through, grabbed me a chicken
Took L advice, slap me a chicken
But my girl don't need no type of brains
Just get down, gimme some type of brains
And I'm never gonna have no damn wife to claim
But if your head right I might ice your chain

[Juelz]

It's a shame how y'all chicks admire the jewels
Niggas wearin white gold y'all inspired them fools
But I'ma tell you chicks once
Only thing you gon' get from Juelz is dick and some big
blunts
And if you don't smoke guess it's just dick
But don't worry baby it's about this thick

[chickens continue]

Uh, when I come through...
Yo, it's like you know, if my watch is \$50,000...
My chain is \$45,000...
My pinky ring is \$25,000...
The year of my car, match the year that it is

What you expect a chicken to fuckin do?
Y'all doin the right thing ma keep cluckin
Cuz I'ma keep shinin, keep cluckin
Uh, when I come through...
When I drive through...

[cluck to the end]
