Ft. Vado

Let me apologize in advance  
I'm sorry for this shit I'll be talking  
I just can't seem to make it wrong now  
So I leave that to the professionals  
I've been trying to chill  
But can't tell me to stop this shit  
Gangster, gangster  
You know, what can I do

Sounds like you warming back up nigger  
You ain't V12  
You know what time it is baby  
Let's go

Yo'll was hopping I'd fall but I'm still rolling the ball  
Fire me up in Harlem baby yeah I don't need hole in the  
wall  
Maybe shooting dice that and sniffing coke  
Couple of cats dealing cards cracking still bitches  
smoke  
Niggers playing chess place aside that shit I don't  
gamble  
Only on me I bet  
I'm still gambling credit scams Africans and the B&H's  
backing nigger's  
Hostelling  
Why no staggering officer is and always with his badge  
still badgering  
Blocks still battling  
Feds ain't fear caught tiny bump trafficking got him on  
his feet the they  
Put him on his back again

And imagine it I'm fortunate about dope passionate so I  
move immaculate  
Cause I like extravagance  
Chandeliers caviar call me arrogant moving like Pinot  
noir you know I'm not  
Having it

My flow dirty my feet clean  
My dope dirty my brick clean  
She's so dirty but this bitch means  
She call me prime time Vanessa sixteen  
Soon as I touch down wife's start dancing  
Kill to me more sports I'm Dion Sanders  
Must be the money while I'm fronting and pose for the  
cameras  
Pretty women doing blow see me with the hammer  
Blame me talk shit I move corporate  
Flee show me the way that's why I'm calling you  
Morpheus  
White bottles at your wake leave the sauciness  
Panoramic roof Panamera be the Porsche in it  
Get your chrome hit the road around six a clock  
In the morning still the only way to pick the drop  
Put the nozzle on his toe when I make a shot  
Birds got him itching everywhere call it chicken pops.
