This song is about young children  
Who live in single family homes and  
Their mother or father chooses their  
Boyfriend or girlfriend over you. Remember  
Parents, kids don't ask to be born. So I'm tell this  
Story and it starts back in '88

Yo, this nigga named d-rugs  
My moms dates him  
Swear to God I hate him  
If I could I would break him  
When he comes around, her brain sizzles like a  
Steakum  
Damn, can't jakes take him  
She neglected me  
Run around with this punk nigga recklessly  
Had him in her tongue  
Guess she was in ecstasy  
For her love  
Took the best of me  
O-d'd excessively  
That's her boyfriend  
Or her toy friend see  
Let me specify  
The last man  
Took the money  
Left the guy  
Desert dry  
And gave it to d-rugs  
He kept her high  
Runnin around  
He's a facial  
Smelled like a fragrance  
She sniffed it in her nasal  
Beggin her to listen  
I told her he ain't faithful  
Fuckin wit Aunt Rachel  
Ya'll so dumb  
Makin me look disgraceful  
He got a girl named Hazel  
And another white one  
But wit him

He ain't racial

I'm your mother  
I'm your daddy  
I'm that nigga  
In the alley  
I'm your doctor  
When in need  
I'm your Coke  
I'm your Weed  
You know me  
I'm your friend  
Your main boy  
Thick and thin  
I'm that monster in your dreams  
For my love  
You will feen

What the deal dun?  
It's '91  
Moms still strung  
On this nigga d-rugs  
His game's tight  
Every night she tries to go pursue him  
Then she screws him  
But my man Un knew him  
Schooled me to him  
Said he got mad hoes  
He used to pimp him  
Said he can get you mad doe  
What you mean?  
He just ain't wit your mother  
He's got other partners  
He's a foreigner though  
The cops don't like  
Illegal alien  
Can't even say his name on the phone  
But you can get money with him  
Then leave him alone  
Or you'll be inside the new cuffs  
Plus a news rush  
Said some more about him  
Then he introduced us  
Took me to the block where everybody get him off  
Showed me his clientele  
Ever since--Hit it off  
He was right  
D-rugs got dumb freaks  
Men and women love him  
Got him 10 grand in one week

I'm your mother  
I'm your daddy  
I'm that nigga  
In the alley  
I'm your doctor  
When in need  
I'm your Coke  
I'm your Weed  
You know me  
I'm your friend  
Your main boy  
Thick and thin  
I'm that monster in your dreams  
For my love  
You will feen

Now it's 98  
D-rugs, he payed me well  
500 S-E-L  
Got me land in A-T-L  
It's all swell  
Way before a felony  
But now that we together  
It seems that moms in jealous  
Cause he wit me now  
And everyone time I g him  
But when it comes to her  
She even pay to see him  
Eh yo, money excites me  
But my niggas on the block  
They got shysty  
Cause I'm wit d-rugs  
They don't like me  
Tried to snipe me  
Right before the damn feds had indicted  
And my mother  
Her nostrils wide  
Too much of d-rugs left her hospitalized  
We both was arrested  
Stars of the block  
Her by cardiac  
Me by the cops  
But for my mother  
Man there's nothin but love  
But that's what we get--Fuckin wit Drugs

I'm your mother  
I'm your daddy  
I'm that nigga  
In the alley  
I'm your doctor

When in need  
I'm your Coke  
I'm your Weed  
You know me  
I'm your friend  
Your main boy  
Thick and thin  
I'm that monster in your dreams  
For my love  
You will feen
