gabriella's cousin got the fake stones  
the kind you take home  
come back with straight chrome  
our macks to break bones  
you're going be stretched  
macho from ts  
said fuck the bs

had to stop them they was undercover detecs  
but i be fresh

the partin startin to smash the traffic up  
and my furs apply

(verse 3)

they were the best out  
a crew from harlem  
wasn't down felt left out  
yeah coupes i wanted  
want crews they flaunted  
taunted  
girls jewels tools  
i knew what i wanted  
watched the homie shine  
then was a lonely time  
boat ride bus ride  
cant go i'm only nine  
ten years later  
i'm the one sony signed  
ten mil later  
damn you watched your homie grind  
cause i'm past chrome  
got that passion  
paprika hot tamale salt and pepper sads on  
for real i'm something else  
still an underbelt  
let's go to the district steal something else

(chorus)
