I got this chick I been with for a long time
and I'm thinking abotu tying the knot with her.

(Antoine)

(Antoine)

I feel you dude check this out

I only imagine you in every way

I only think of you all night & all day

I only want you when I'm awake & when I'm asleep

You don't need a thing

Cause you mean everything to me

(hook)

I'm your shelter in the rain

I'll take away the pain

Never have to hurt again

Wanna be your love supreme

Without you I'm not complete

You're my everything

(chorus)

I breathe you girl

I eat you girl

I need you girl

I speak you girl

I dream you girl

You be my world

You're my everything

(verse 2)

I'd never die for you

I'd rather live to love you

You could take my arms

I'd still find ways to touch you

You could take my legs

I'd still run to your rescue
I love you I really do
And I
(hook)
(chorus)2x
(break down)
When you need someone to call(Call Me)
You know I'm not far away(I'm right there)

Girl all can say
(chorus)

My everywhere
You are my everything
