I get the boosters boasting, I get computers puting
Y'all get shot at, call me, I do the shooting
I do the recruiting, I tutor the students
I nurture they brain, I'm moving the movement
Whether buddist or budah, that's judist or juda
I got luger to ruger, hit from +Roota to Toota+
Chick from hooter to hooter, I put two in producers
I'm the real boss story, the hoolah of hoosiers
I rock mostly dosey, I roll mostly dololy
I'll leave you wholly, holy, you'll say "Holy Moly"
Here come the coroner get 'em, play "Rolly Poley"
I'll tell you true stories, how I coldly hold heat
When it's repping time, I get on extra grind
Fried to fricassee, pepperseed to pepperdine
Jeff Hamilton, +Genesis+, leather time
Bitches say I'm the man, I tell 'em "Nevermind"

[Chorus]

They getting nice, they got some ice
Let's get the dice and roll 'em (get 'em girls)
They getting chips, they flippin' bricks
Get the Rots and Pits, tell 'em (get 'em girls)
See acting fiesty, getting shiesty
Call her wifey, tell her (get 'em girls)
Just lay back, get your face slapped
We at the race track, eight stacks (get 'em girl)

[Cam'Ron]

You acting funny nigga, come dumb, dumby nigga

So you should move away, or join the dude in Play

First pal up in the rare, I style up in my gear
Stallion of the year, medallions in my ear
Whips on my fists, houses on my wrists

Fuck a Sizzler steak, my steak stay sizzled

My team is the "Goonies" we where seen with buffonies

Toonies, best dressed, stay up in Nemis, and Bloomies

Want to hit it from the back, she agreed that I'm looney

But proceeded to moon me (I'm getting money nigga)

Baby, BS in honey do, Cam, Vs 1 and 2

I'll help you get your son out of P.S. 22

Get him a maury flow, from the maury show

Fuck around, y'all gonna be up on the Maury Show

He in bootcamp, you on food stamps

Welfare, no healthcare, a true tramp

And I'm lockey, lockey, leave you pokey, pokey

No Rice a Roni, that's the Okey, Dokey

Me and Toby homie, make you do the hokey pokey

Pull the pound, up and down, turn yourself around

shorty

Here's some weed, burn yourself a pound whodie

Here's a map, go load yourself a town, sporty

I was down forty, now I'm up fifty

Buck fifty, buck quickly, who could fuck with me?

Killa

[Chorus]

They getting nice, they got some ice

Let's get the dice and roll 'em (get 'em girls)

They getting chips, they flippin' bricks

Get the Rots and Pits, tell 'em (get 'em girls)

See acting fiesty, getting shiesty

Call her wifey, tell her (get 'em girls)

Just lay back, get your face slapped
