

Cam'Ron "Girls Cry"

Visit "[Girls Cry](#)" on MotoLyrics.com

There comes a time
Every girl, she has to cry, cry, cry
Cry baby, sometimes
There comes a time
When your heart can't take no more
And you have to cry, cry, cry, cry, baby

Listen when it comes to my girl
I could tell it her all
When I come in the house
She wanna smell my balls

Why you smell like so Kim?
If you were playing ball
Took a shower at the gym
Said you's a player boy

Glitter on your pants
Make up on your shirt
Gave some hugs at the office
Girls wear make up to work

Teddy bear, ain't mockin' yo
She said, 'cause I smack a hoe
Crack a hoe with a tennis racket
John Magaro

Got a beautiful mind
The way she acting yo
In my phone when I sleep
Trying to crack the code

I'm swazy, she crazy
I went to the door
Turned around and I said
Baby, you're my one no other
But discover undercover
That you jealous of my mother, baby

So from here, girl, I blow a kiss
And it's me I know she miss
'Cause when I left I told her this

There comes a time
Every girl, she has to cry, cry, cry
Cry, baby, sometimes
There comes a time
When your heart can't take no more
And you have to cry, cry, cry, cry, baby

I know
Fucking shame
You fuck what's his name
That's when your luck changed
Got rid of that plus rate

The whole bus train
Get your guts paint
Now you talk strange
About what could have changed

Naa, I don't wanna have a sit
You know a counselor, cool
We don't have to meet
Just hear me, Ruby, I'm gone

You put him back to sleep
Don't come up with this dump shit
'Cause you're mad at me
We got beef

Go ahead speak your mind
Talk like I was witchu before
When you ain't have a dime

I'm swazy, she crazy
I went to the door
Turned around and I said
Baby, you're my one no other
But discover undercover
That you jealous of my mother, baby

So from here, babe, I blow a kiss
And it's me I know she miss
When I left I told her this
One time

There comes a time
Every girl, she has to cry, cry, cry
Cry baby, sometimes
There comes a time
When your heart can't take no more
And you have to cry, cry, cry, cry, baby
