You a bitch nigga (nigga)

Only reason im doing this

Got a hundred fifty got a hundred fifty

First, you stole Rocafella from Dame

Second, you stole Kanye from Dame

Third, you stole Rocafella from Dame

Forth, I seen the nigga throw that diamond up before
them shots was fired

Fifth, hold on turn the beat off

I had to turn the beat off for this

You talking bout you an eighties baby

You thirty seven years old

You was born in 1968

And I open the Daily News how is the king of New York
rockin sandals with jeans

Open toe sandals with chancletas with jeans on

How is the king of New York rockin sandals with jeans
when he 42 years old

Back to business!

[Verse 1: Cam'ron]

You ain't the only one with big wallets

[Chorus: Max B]x2

You gotta hate us the way we getting this paper
All my niggas is coming strait from minimum wages
