[Verse 1 - Cam'ron]

Killa

Yo, girl: get a notepad (for what?)

You ain't got no swag!

And you so fine, it's so sad

Still riding coach, need a Coach bag

Let me coach you, no Coach tags (what that mean?)

Get rid of that Coach bag!

And listen, I ain't trying to throw jabs

(Damn!) Why you gettin so mad?!

Only one that deal with Cam' is a queen

Louis handbags, Alexander McQueen

Yeah, stand up I'm mean

For how I handle my team, clean

Harlem n-ggas don't wear sandals with jeans

Car skills good, I can handle the Beem

Nickle, dime, twenties, I can handle the fiends

So...hey Muma, que pasa?

I'm water, baby: agua

[Hook]

Hey yo, muma!

I'm saying

Can I come over? Cause

I'm not playing

Bend your ass over, uh, I'm not waiting

And if I'm sober, I'm blazing. Hey!

[Verse 2 - Vado]

Hold up, (*spit sound*) let the Slime spit

Need these first three rows, let my suave sit

Icy, make it hard to see the time tick

Me and my dine chicks, with glasses of wine, lit

Yeh, your money can't provide this

"Hi miss" the answer's "yes, your Highness"

"Try this! Only I can supply this"

Reply this, you'll always see me in fly ish

If I don't know you, I hope not to

Trying to play a tough role? I'm like "not you"

Earl ? cause I'm D Rose: I got you

Under the sun is where we pose, We hot, duke

It's what I did to the booth
How I spend in the coupe
While you and members salute
I'mma keep it trill, I'm that n-gga living proof
Telling me to chill is like stomping Cam with a shoe

[Hook]

Hey yo, muma!
I'm saying
Can I come over? Cause
I'm not playing
Bend your ass over, uh, I'm not waiting
And if I'm sober, I'm blazing. Hey!

[Verse 3 - Cam'ron]

In the hood where I creep trying to hook me a freak
Want to see what girl around here could put me to
sleep
Could mean a hotel, could mean a suite
Could mean tuition, could mean a Jeep!
"God damn" is what the hoochies say
When we jump out of Lambo's
Car, neck, hand froze
Damn, yo! Cameras, stand, pose
Therefore, watch her 'fore Cam rose

[Vado]

She got down, I'm tryna get the top
Me, Lee, ? and chop
How to hit the block, ee wee piffing rock
before the DT's get the watch
The neighbours watch, all day switching spots
I'm in the hood like (muma)
What's really, whats good (Frank Mula)
Gun 50, black hood (same shooter)
Blowing sticky black wood (straight ruler)

[Hook]
