Every year's toll had leaves, they were pinstriped
At 12 I had a knife for your wind pipe
At 13 it's the stash house I spent nights
Could be wrong but at 15 I've been right
At 17 I ain't care what my friends like
19 was mean I mean I had hunts at night
Airs 21 became my money year
23 I could have been facing 220 years
Yeah, so let's celebrate, elevate,
Roll... hella case
Man you sweeter than cream savers my team's major
... as a teenager

That's where I'm from yo, in the jungle the might jungle
That's where I'm from yo, in the jungle the might jungle

The animal that I grew up with it
Well they extinct nigga, it'a a few of us left will leave
you stink nigga
Stink nigga, wash up, you funky fresh
Dirty jeans, whack kicks, no cake, with... rap
... face, dummy stress, 100 k
20 steps like the way I'm impressed
One year, one arrest, gun charge, another mess
Homicide, another death
Another mother's son at rest
Mother made a motherfucker from a lounging breath
You did it,... do it man, you ain't done nothing yet
I could become a threat, calico 100 wet
Wanna bet, when I make it rain, your whole sun is set
Wanna show, no prob, I put before
He ain't one to work, good I take you for
... I cook you for them
I make you rich or famous
Act vado,...

That's where I'm from yo, in the jungle the might jungle
That's where I'm from yo, in the jungle the might
jungle...

I'm from where the strong prey upon the weak

Where lions teach they babies bite before they grow
they teeth
They saw the world dawg eat y'all huh
Well we're I'm from we all eat dwags...
Come from the jungle, learn how to hustle from hunger
Keep my money in bundles, keep a gun that's
humongous
... among us, oldest dad to the youngest
Be hunting hope to be stunting
For turning nothing into something
... jakels throw a lot of rounds...
Get your paper straight, be like...

That's where I'm from yo, in the jungle the might jungle
That's where I'm from yo, in the jungle the might
jungle.
