Before we get into this Killa Season  
Let's start this shit off with my man 40 Cal

Who am I? 40 Cal. motherfucker  
Gat to your back, get down motherfucker  
Clown motherfucker  
(You will be wonderin' what are we gonna do now)

Let me try to explain  
I shoot his truck up just to drive him insane  
Give his Rover the new name, the firing range  
When we see you yell fire and aim

'Cause when I fire them thangs it's like  
(You will be wonderin' what are we gonna do now)  
I gotta watch who wit me, watch who pretty  
Drop two fitty on a hot new Bentley

But when it come to drops say he cop too many like,  
damn  
(You will be wonderin' what are we gonna do now)  
Down with wonderful Cal  
(They make Hummers in brown)

Nah, I just shitted on you, even haters lovin' my style  
I'm a role model, I make the hustlers proud  
I make the customers smile  
(You will be wonderin' what are we gonna do now)

Catch me in them thangs with Jennifer, BM's with Olivia  
If it ain't Vivica or somebody similar  
Comin' down the block the suspense is killin' ya like,  
wow  
(You will be wonderin' what are we gonna do now)

That's Cal, we see him we leavin'  
He schemin', he be beastin'  
Heard he kill people, we believe him  
Oh shit he's reachin'  
(You will be wonderin' what are we gonna do now)

Killa, Killa, Killa, Killa

Killa, Killa, Killa, Killa

Dial Killa for murda once, no redial  
Just see child, the O G style and how I used to be wild  
This the story of Cam'ron and Zeke Giles one way road  
to the P now  
Yeah, the whoscal, oh, child you wasn't there

Zeke snitched, if he did, I'd be doin' a hundred years  
Did the interstate, big cities, tiny ones  
Took over niggaz towns, black ties, tiny bums  
Handsome hoods, pretty thugs, but we grimy dun

Cars, cribs, money, had to find me some  
Zeke right behind me dun, dun, he play by all the rules  
That's why the house is his, the cars, all the jewels  
Ya'll niggaz all are fools, your regular married with  
children

Dawg, nine to five, office, pool  
Couldn't live that life, I needa loft and pool  
I had too much class, I ain't report to school  
If they report to school, I caught the stool, extort the  
fool

Took off his jewels, thought he cool, gun to mouth, they  
often drool  
Fuckin' wit this wolf, this should be taught to you  
Ya money don't matter, what you can't afford to do  
Is fuck wit me dawg, that could be affordable

Hide ya mom, police protection, that's when I'm cordial  
Cars convertible, TV's are portable  
Fiends on line, coke lines, they come and snort a few

(Killa)  
Guns, cars, bitches and  
(Killa)  
Weed, smoke, dope  
(Killa)

Glocks, ox ockin' I'm cocked  
(Killa)  
Cam, fam, damn, it's  
(Killa)

Season and the reason you breathin'  
(Killa)  
Who buy out the bar though?  
(Killa)  
Who far from a star but they car is Gallardo?

(Killa)

I was forced to eat, anything you lost I keep  
Shot the fifth, and then like a Piston, toss the heat  
Now round the corner, up the block, cross the street  
Up fifty flights, right where the bosses meet

And the Porsche is peach, felt like Boston George  
Left Boston Market, did deals on Boston Beach  
Now, I bought the beach, all because they applaud my  
speech  
One nigga crossed the chief I know you heard he lost  
his teeth and it's

(Killa)

Guns, cars, bitches and

(Killa)

Weed, smoke, dope

(Killa)

Glocks, ox ockin' I'm cocked

(Killa)

Cam, fam, damn, it's

(Killa)

(Killa)

Who buy out the bar though?

(Killa)

Who far from a star but they car is Gallardo?
