### "Kilo"

Visit "[Kilo](#)" on [MotoLyrics.com](http://MotoLyrics.com)

All around the world today the kilo is a measure  
A kilo is a thousand grams easy to remember  
A kilo is a thousand but did you remember  
Once you touch a kilogram that weight I'll make music

K.I.L.O THE KING sayin hello from my suga hill ray  
Nathan he's Romelo  
I plays it like a cello I pull them strings to make  
Them scales teeter totter like  
Balance beams it's everything it seems the guns and  
The glamor the re-compressed birds  
Booked down wit sledge hammers

Smille candid cameras goddess in zoom lenses un  
claimed  
Taxes sittin in new benzes  
Champaigne drenches the loafers the bosses lord  
forgive  
Me there's blood diamonds in  
These crosses suffered major losses then repeat the  
past.  
Guess I never learned a hard head makes a soft ass

Yup and soft white makes for hard cash and  
continental  
Gets with a soft rag like soft batch  
Cookies out the oven getting 13 at a time now that's a  
bakers dozen

All around the world today the kilo is a measure  
A kilo is a thousand grams easy to remember  
A kilo is a thousand but did you remember  
Once you touch a kilogram that weight I'll make music

Ayo there's blood on the cocain a scene that is psycho  
Dope so pure feigns cling to the light pole.  
Wet purer than holy water your wife know that she aint  
Gotta fly to columbia

For that lipo... (Darkside)  
Cut keys like a locksmith blasphemy but it feels like it's

gods gift  
One sniff'll have you kneel down and praise me  
nodding  
Out holding onto your babies.  
A new conec means a few more dreams now watch a  
nigga  
Flood the streets like  
New Orleans blow like trumpets snorting on the second  
Line fuckin with that white bitch'll  
Have you on the bordeline penthouse in the city got  
The scenic view and maybe you can  
Fuck Madonna like you pee in a shoe.  
Snowcaps dripping off rock mountains it's crack in  
Wonderland Got coke dripping out the fountain.

All around the world today the kilo is a measure  
A kilo is a thousand grams easy to remember  
A kilo is a thousand but did you remember  
Once you touch a kilogram that weight ll make music

I said a Kilo is a thousand grams but can you  
remember  
Check my agenda snow like  
December coke I'm a emperor go head and taste it  
numb  
Up your dentures movin in rectas  
Obvious intra no I wont serve you don't mean to offend  
ya.  
Round table glass up all hail us toast to life money  
Told me will fail us we prevail from the  
Corner now now tell us they got what they don't wanna  
Let them sell us me I cook coke  
Cook coke no faction but damn you look broke.  
Know my pedigree ready is what you  
Better be gotta beef put two holes in yo ass like the  
Letter be my perameter homie is where you  
Need to be... Gambler?  
Nah janitor I keep the keys...
