Yo I, drive on the parkway, park in the drive way  
I had a hard day, I'm on my parkay  
I said I thought a brother nothin' like park aye  
No I'm not rico but I'm definitely suave

Aye, so parlay, I'll let the pigeons know  
I fuck 'em top speed, not need pigeon toed  
I leave 'em bow legged, tell her relax dear  
Louie buggin', louie luggage, I'm leavin' don't aks  
where

I had the 2011 things last year  
Side colleges, gynecologist, here's a pap smear  
Is that clear? I'm feelin' bad as ever  
Honey LV purse, eww, Patten leather

I'll have her like, hmm, she make me say, mah  
I'll have her like, ooh, then I make her say, ah  
Never mind the phony, you lookin' kinda lonely  
I want to be ginuwine, can I grind that pony?

Y'all never ever, ever, ever could live my life, boy  
Could life my life, boy  
Y'all never ever, ever, ever could live my life, girl  
Could life my life, girl

Yo, hey yo, I play with a rough stay, I sold enough ye'  
I'll never stop eatin' all this game is like a buffet  
I must say, I get the dust moved  
Cock blocks, chopped rocs, yeah, call it crush groves

You wouldn't do diddly, digga, my delivery  
Is better than a mail man, you never seen misery  
Seriously, on the other hand visibly  
You might know my neighbor Walt  
Walt who? Disseney?  
Disseney? Yeah, Disseney

Coke, cakes, pot pies  
No chicken in it [Incomprehensible]  
Old ladies gyza, they get up early doggie  
You see what happen to daddy boys?

Yeah, you was tryin' to cake it, you got your mom's  
evicted  
Now everybody lookin' at you  
They mad at you 'cause you went and took the drama  
route  
Llama out and you had the work up in your mama's  
house

Y'all never ever, ever, ever could live my life, boy  
Could life my life, boy  
Y'all never ever, ever, ever could live my life, girl  
Could life my life, girl

Yo I, I hit the dealer, then the dealer hit the stoope  
Then I hit the dealer, leave the dealer with a coupe  
Pick up mami, she said, "You wanna hear the truth?"  
This car is hot cam but where's the roof?

I said ma, there's no top, I do this  
She said, "Oh, you like easy-e, roofless"  
I said true this, four rings, who this?  
Smooth rick, tooth chip, a nigga need a few bricks

Drop shawty off, so I can show 'em some  
He cop four, so you know I had to throw her one  
'Cause my teammate green off the payroll  
We turned yayo, to fettuccini alfredo

Y'all never ever, ever, ever could live my life, boy  
Could life my life, boy  
Y'all never ever, ever, ever could live my life, girl  
Could life my life, girl
