You are now listening to Araabmuzik  
I got cold coming, I'm cold youngin  
The flow so sick, my nose runnin' (eww)  
You can talk that shit, but you don't want it  
Four bricks on the floor, lock the door, no one coming  
You peel onions, lets go pie for pie  
I hit 'em like Dolph Lundgren, if he dies, he dies  
24/7 is grinding time, talking bout you grinding slime  
(stop it 5)  
Ain't hard to find, but I'm probably ...  
Got more hooks and punches than a Rocky round  
Get them pounds from Houston of that Bobby Brown  
Copy my style I'm Mayweather, you Pacquiao  
No matter what they say, we a Mitch-Match  
Don't let them gas you, dispose a lot thrash you  
Garbage bag, bag you if you ask me, I had to, get at  
you  
Straight kidnap you and BRRAAA you! (stop it 5)  
I heard he got it ..., like the block is mine  
Then why youâ€™™ re blocking mine, (stop it 5)  
You ainâ€™™ t got a dime, smoking chocolate dimes  
Wasting your watches time (stop it 5)  
He said he be coping rise  
Put the drop in drive  
Lie on top, lie on top, lie (stop it 5)  
Dreams he selling this  
How he selling bricks  
Really 11 nix tell em this (stop it 5)  
Damn, he can paint a sketch, this one the lamest yet  
Him and Frank Lucas had the same connect (stop it 5)  
Fuck with me not today, thank god I got away  
With selling a lot of yay, ain't gotta say (stop it 5)  
Carry rugby, girls they wanna grab and hold me  
Console me and the fifty is looking like ravioli  
You from beginners town, you round ...  
Not a preacher more like your teacher, so simmer  
down  
Get the clown befo' I smoke him like a half blunt  
Yo iâ€™™ m only gonna ask him once (stop it 5)  
We lived the hardest life, so we park the yacht and dive  
Then pull up, start the ride

I heard he got it tied, like the block is mine  
Then why youâ€™™ re blocking mine, (stop it 5)  
You ainâ€™™ t got a dime, smoking chocolate dimes  
Wasting your watches time (stop it 5)  
How you holding weight, knowing you owing cake  
Yo scream in homies face (stop it 5)  
Bills paid late, bagging up on paper plate  
Suppose to got a deal for 8 (smh)  
What poppin' five, that Vado  
Heard your little slick shit, no need to reply tho  
I x him off my hitlist, lean him like a wino  
Bye bye on a die note, thats word you got signed yo  
(stop it 5)  
Find him on a stretcher, that bitch you tryin' to impress  
her  
Then won't you put your jewelry to a diamond tester  
65 Kompressor, CL I hop in slime, thats what you  
coppin' riiight (stop it 5)  
I been with some made, since grade 10  
12th grade, laid back, grey Benz  
You got gay friends? me? I got some lesbians  
Man, you ain't just an actor, you a thespian  
So stop it 5, its ...  
No gun but take shots huh, shots gonna fly  
God damn, niggas still smoking Chocolate Thai  
Stop and die (stop it 5)  
I heard he got it tied, like the block is mine  
Then why youâ€™™ re blocking mine, (stop it 5)  
You ainâ€™™ t got a dime, smoking chocolate dimes  
Wasting your watches time (stop it 5)  
How you holding weight, knowing you owing cake  
Yo scream in homies face (stop it 5)  
Bills paid late, bagging up on paper plate  
Suppose to got a deal for 8
