Cam'Ron: Hello?

voicemail: You have a new message by Juelz Santana

Cam'Ron: Aight

voicemail: Are you want to listen this?

Cam'Ron: Yeah

voicemail: OK then...1st message: Friday, 12:27 A.M.

Juelz:

Yo Cam, it's Juelz

Listen, man, where you at?

I gotta call you 6 times

And the voicemail still on

So, i gotta leave this message

Listen, i gotta talk about your shit

"Killa Season" in the streets

Just talk about this shit

It's more important about this

I know, it's fucked this shit

Gotta prepare 18 tracks to this shit

And, you know, it's fucked

You know, bitch, i gotta talk with you

Can you taking a concert to this shit?

I hope not, this shit is really fucked

Like you kill your fuckin ass

Don't rap drugs, violence and sex

It's going to smoking marijuana and alcohol

Don't take your ass at all America

Stay at your motherfuckin studio

About your fuckin shits at music stores

It's terrible, don't do it

You heard me, bitch
